SCHOLARSHIP INFORMATION

Dramakinetics of Cincinnati realizes that some families may struggle to pay our fees and we appreciate the support of the community to help our organization to help children. Our class participation fees help pay for instructors and assistants, equipment, location rentals, administrative costs, insurance costs, and class materials. On a limited basis, we are able to offer scholarships to those who cannot afford the full class fees.

Scholarships are awarded on a first-come, first-served basis until the pre-determined scholarship amount for the semester or short session is spent. If you do not receive a scholarship for this semester, you will automatically be put on the list for scholarships for the next semester or short session. This does not mean that you will definitely receive a scholarship for the next semester or short session (we could run out of funds again before we get to your name), but you will eventually be given a scholarship if you are on the list.

Anyone is eligible for scholarships. However, there are criteria to keep the scholarship for the current semester or short session and to be eligible for scholarships for the next semester or short session. They are as follows:

- 1) If you have a scholarship and have an unexcused absence within the first two weeks of class, we will automatically fill your spot in class with the next person on the waiting list and you will not be eligible for a scholarship for the next semester or short session.
- 2) If you have ANY unexcused absences during a semester or short session, you will not be eligible for a scholarship during the next semester or short session. An unexcused absence means that you did not show up for class and you did not call us with a valid excuse within 48 hours after the class to let us know why you did not come to class.
- 3) If you do not pay your portion of the class fees (the portion not covered by a scholarship) for a semester or short session, you will not be eligible for a scholarship for the next semester or short session.

Please adhere to these criteria in order to be respectful of others who are on the waiting list for scholarships. Thank you.

I have read the Scholarship Information page and agree to the terms of the scholarship as outlined.

I know that I automatically lose my spot in class if I have an unexcused absence within the first two weeks of classes.

I know that I will not be eligible for a scholarship in the following semester or short session if I have an unexcused absence during the semester or short session where I have a scholarship.

I know that I will not be eligible for a scholarship in the following semester or short session if I do not pay the pledged amount as written below.

Signature of Parent or Guardian: _____

Date: _____ YEAR: 200_____

Name(s) of Student(s): _____

Please circle the appropriate semester or session:

Spring Semester Summer Short Session I Summer Short Session II Fall Semester

Please fill in the total amount you can pay. Dramakinetics strives to provide opportunities to as many individuals as possible, and we can only do that with your help. For every dollar that you can pay, that is another dollar that is available to someone else who can not afford to pay the full amount for classes. Your honesty to pay what you can truly afford is appreciated by the other families who have financial hardships as well.

I can pay \$_____ per class, for a total of \$_____.
